### Project Details

Title of Project: \_\_\_\_\_

Target Species: \_\_\_\_\_ Requested Funding: \_\_\_\_\_

Habitat: \_\_\_\_\_ Project Start Date: \_\_\_\_\_

Location: \_\_\_\_\_ Project End Date: \_\_\_\_\_

**Project Summary:** Provide a brief overview of the proposal.

---

---

---

---

---

---

---

---

---

---

---

**FCF member's paragraph:** Describe why this project is important to you.

---

---

---

---

---

---

---

---

---

---

**Introduction / Background:** Provide relevant information relating to the project such as natural history of the species/region, historical data trends, and/or cultural relevance, citing specific sources to provide a framework for the review committee.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Objectives:** Describe the purpose of the project and clearly state the goals that the project is seeking to achieve.

---

---

---

---

---

---

---

---

---

---

**Methodology:** Describe how the project will be conducted. Describe how many staff and how much staff time is needed. Describe how the data will be analyzed. Describe how local people will be involved.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Anticipated Results:** Describe what you expect the project to discover or achieve.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Evaluation:** Describe how evaluation of the project will be done. Include specifics regarding the tangible, measurable impact anticipated. Describe how the data will be analyzed and by whom.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Timeline:** Outline the timing of steps to be taken for the completion of the project.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Rationale:** Describe the ecological, cultural, social, and/or economic significances of this project.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---
